Brown Soft Soap

Description:

A very thick concentrated soap made from biodegradable materials. It is water soluble and has no petroleum content.

Cleaning Uses:

It is a mild soap suitable for cleaning all types of surfaces and equipment. For lighter duty applications, dilutions of 150:1 have been found to provide adequate performance. Intermediate dilutions may be appropriate for other cleaning needs. Solutions will exhibit moderate foaming tendency.

Lubricant Uses:

506 Soft Amber Soap is a versatile thick paste that can function as an excellent biodegradable, environmentally safe lubricant. Excellent on all rubber and synthetic rubber compounds. 506 Soft Amber Soap can also be utilized as a release agent for various concrete or other applications where an environmentally safe, petroleum free compound is desired.

Features:

- Thick, viscous gel
- Mild; no free caustic present
- Biodegradable Soaps
- Contains no Organic Solvents
- Contains no Petroleum Oils
- Contains no Phosphates

#506 Soft Amber Soap:

Available Sizes: 5 Gallon Pails, 55 Gallon Drums
